TOWN OF DESERONTO ROAD CUT PERMIT APPLICATION

ADDRESS OF CUT LOCATION

DATE

I hereby make an application to the Town of Deseronto for a cut permit for the purpose of repairing or replacing water, sewer, natural gas, telephone lines, etc. I have attached hereto a sketch, plan or survey in duplicate showing the location, specifications and dimensions of the trench, excavations, or other work to be undertaken.

I understand that a \$150.00 cut permit fee is payable with this application and that a minimum-security deposit in the amount of \$1000.00 (Cash or Certified Cheque) is payable before any cut may be undertaken to any portion of Town Property.

Complete repair must be made within 30 days of any cut and the repair must remain satisfactory for the period of one year from the road cut date.

If any form of default during the 30 days or up until one year from cut date requires repair by the Town, such cost of repair will be deducted from the Security Deposit and/or any costs that exceed the Security Deposit will be charged directly to the applicant of this permit.

I have read Town of Deseronto By-Law Number 08-13 and agree to abide by the conditions thereof.
