Dear Mr. Battarino,

In response to comments received from the Ministry of Environment regarding the Town of Deseronto's Marina/Waterfront Development Environmental Assessment Terms of Reference document; the Municipality has determined that it would be appropriate to seek an amendment to the document prior to submitting it for formal review/approval to the Minister. The Municipality and project consultant will complete the amendments in consultation with Project Officer Battarino to ensure the Terms of Reference complies with the Environmental Assessment Act requirements.

The Ministry's consideration of this request is greatly appreciated.

Sincerely,

Dana Valentyne, Community Development Officer
